**OUR CLIENTS**

Production capacity - 50Kgs to 3000Kgs in 8 hrs/per shift  
Fully Automatic Papad Making Machine  
with Diesel Fired, Gas Fired, Wood Fired and Electric Fired  
Servicing in the food industry world wide since last 34 years.

Fully Automatic Papad Making Machine

**Salient Features**

- All components in accordance with the dough are food grade.
- Thickness of Papad, Mathia, Chorafali can be regulated to match with your specifications.
- Less maintenance & low power consumption.
- Completely upgradable to suit your specific requirements.
- Variety of units available for your individual requirements.
- Modular design for easy transport & installation.
- Operated by Single / Three phase electric motor.
- A fully safe & covered body designed to prevent dust & control noise generation.
